

# Standards – Level 1 Bar Chart

## What It Looks Like:

## What It Shows You:

- Displays student achievement by strand
- Click on a bar to see a pie chart for how the students performed on just that individual standard/anchor.
- Click on the colored slices of the pie to see a list of students that fall into that proficiency category.
- Below graph is a complete explanation of each standard/anchor with the average proficiency score.
- Click on a student's name to reach their individual student detail page.

## How You Build It:

- The following steps will create the Standards – Level 1 – Bar Chart report.
